

# Cookies

On this website, we as ConceptT make use of cookies. A cookie is a small file which is sent with webpages and is stored on the hard drive of your computer by your browser. The stored information can be sent back to our servers with a future website visit. Cookies are used for optimizing the user experience and technical aspects of the website.

## Disclaimer

This English version of the cookie policy only serves as an informative document. This is not a legal document. The Dutch version of the cookie policy serves as the legal version.

## Permanent cookies

This website uses permanent cookies to recognise you with a new visit at our website. For example, permanent cookies make sure that you do not have to log-in with every new visit. This saves time and enhances the user experience. Permanent cookies can be deleted through the settings of your browser.

## Google Analytics

Through this website, cookies will be placed of the American company Google, as part of her web analysis system "Google Analytics". We use this system to measure and check how users use our website. Google can share this information to third parties if Google is mandated to do this by law or if third parties process data in the name of Google. We have no influence on this. We have allowed Google to use the acquired data for other Google services.

The information which Google gathers, is anonymised as much as possible. Your IP Address will not be shared with Google. The information is transferred to and saved by Google on servers in the USA. Google must ensure to comply to Safe Harbor Principles and is affiliated with the Safe Harbor-programme of the US Department of Commerce. This means that there has to be a suitable level of data protection of the processing of possible personal data. ConceptT has no possibility to trace gathered information to individuals.

## Right of access, rectification and erasure of your data

You have the right to ask for access, rectification or erasure of your data. This is possible by contacting the Board of ConceptT. To prevent misuse, we will ask you to identify yourself adequately. When the issue to access personal data linked to a cookie, you will have to send a copy of the right cookie attached to your message. These can be found in the settings of your browser.

## Activation, deactivation and deletion of cookies

More information concerning the activation, deactivation and deletion of cookies can be found in the manual and/or the Help-function of your browser.

Meer informatie omtrent het in- en uitschakelen en het verwijderen van cookies kunt u vinden in de instructies en/of met behulp van de Help-functie van uw browser.
